Laxmi Nagar, Delhi, 110092 • (+91) 8210652642 • kanchan.mahi26@gmail.com • [Linkedin](#) • [Portfolio](#) • [GitHub](#)

Frontend Developer with 1+ years of experience assisting specializing in building responsive, high-performance web applications using React.js and modern UI frameworks. Skilled in developing scalable user interfaces, integrating RESTful APIs, and collaborating with cross-functional teams to deliver seamless user experiences. Proficient with tools like Material UI, vs code and GitHub. Delivered impactful projects, including a portfolio with advance animation and ecommerce website using simple tools.

Skills

Languages & Frameworks: React.js, Tailwind CSS, Material-UI, HTML, CSS, JavaScript, Bootstrap

Tools: Git, GitHub, Sublime text Visual Studio Code, Notepad++, Photoshop

Soft Skills: Collaboration, Problem-Solving, Effective Communication, Adaptability

Experience

DEC 2024– MAY 2025

Frontend Web Developer | Unified Mentor | internship, Delhi

- Developed and maintained front-end features for the Employee Exit Management System using React.js, Material UI, and Tailwind CSS.
- Implemented role-based dashboards for HR, HOD, and Employee views, enhancing user experience and data accessibility.
- Collaborated closely with backend developers to integrate and test APIs using Postman, ensuring seamless data flow and functionality.
- Built a secure login system with user authentication and dynamic data fetching.
- Contributed to code reviews and deployment workflows using Bitbucket, improving team productivity and code quality.
- Participated in regular sprint meetings, providing input on technical feasibility and front-end architecture decisions.

FEB 2021 – APRIL 2023

Jr. Frontend Developer | Walsis eConnect pvt ltd. | Patna, Bihar

- Developed responsive web applications using HTML, CSS, and JavaScript, improving usability across devices.
- Integrated RESTful APIs in collaboration with backend developers, achieving 20% faster page load times.
- Optimized code and utilized best practices to reduce the site’s loading time by 15%, contributing to a 10% increase in user engagement.

Projects

PORTFOLIO (WITH ADVANCE ANIMATION) [PORTFOLIO](#)

- Designed and developed a fully responsive personal portfolio website using React and Vanilla CSS to showcase projects and skills.
- Implemented client-side email functionality using EmailJS to enable secure, backend-free contact form submissions in React applications.
- Implemented responsive layouts and accessibility best practices to ensure seamless viewing across all devices and screen readers.

ECOMMERCE WEBSITE

- Created a responsive layout with Tailwind CSS, ensuring seamless shopping experience across mobile, tablet, and desktop devices.
- Designed and implemented a modern eCommerce platform with a responsive UI and intuitive user flow from product discovery to purchase.
